MICHELLE ST. HILL:

Michelle began her career with a three-year apprenticeship. In other words "I'm 'Old School'' she says, "and i know what it is to start at the bottom and work your way up". She trained under Gino Mangifesta (Vidal Sassoon) and Donald Macintosh (Glemby International), in their London salons. "After my journey with breast cancer, I looked for a healthier smoothing alternative and Liquid Keratin seemed like a natural fit".
