

TIGI COLLECTION EXPERIENCED

THE LATEST IN GEOMETRIC COMPOSITIONS

Skill Level: ADVANCED

CLASS INFO

With a multitude of techniques that a stylist can benefit from, The TIGI International Creative Team determines the forward momentum of the TIGI advanced cutting education. Collection Experienced (hands-on) offers the stylists' valuable insight into the latest geometric compositions and texture application used for fashion forward haircuts. With a hands-on workshop, Collection Experienced allots the attendee to fully understand the techniques.

LOCATION

Yellowknife, NWT. Location TBD

» Bring all cutting and styling tools

» Lunch will be provided

EDUCATOR: ARTINE GHAZARIAN

Raised in Calgary, Alberta, Ghazarian owns Artine Hair in Edmonton, Alberta. He comes from a family of hairdressers and by the age of 15, he knew that was what he wanted to do. He has now been a licensed hairdresser for 28 years and is inspired by music, food, and youth. When asked what drew him to TIGI in the first place, Artine said "My first hair show in 1986 was TONI&GUY/TIGI. So that's what started it all."
