EDUCATOR: KAYLA WARREN

Kayla's love for hairdressing began as a receptionist at 13 years old in a salon her mom worked at. In 2009, Kayla enrolled at Marvel Collage and earned her journeyman. Kayla's career bloomed as she gained the reputation of the blonde guru of Fort McMurray. Her passion for education led her down a new path and has joined TIGI as part of the TIGI technical collective team, where she is inspired to share the information and techniques she has learned with everyone who is passionate about colour.
