EDUCATOR: SHANNON KING

Early in his career, Shannon became an educator, inspiring fellow stylists to explore their creativity and build on their technical skills. As a Keune Academy Educator, he facilitates design, styling and training programs and shows across North America.

EDUCATOR: CORY WALLACE

"The haircuts are amazing," he explains. "They're piece-y, edgy and fun for both stylists and their clients. They're not the typical everyday looks. The low sku line is perfect, because every product has a purpose. Then, I love mixing the products together to have fun with styling and create more products. It's as if the brand was designed just for me!"
