MASTER BARBERING

This class is recommended for more advanced barbers who already know the basics and are looking to expand their skills in fading, blending, trimmer flick fading, and razor techniques.

Mat Fekete

@cutsbymaty

As much as Maty loves doing hair in the shop, his true passion lies in helping others learn. He started at the age of 16, and is now an award winning barber with his own barbershop in Mississauga. Maty fuses both North American and European styles in his work, combining what he learned growing up Canada and working abroad. At the end of the day, sharing his knowledge is what is truly important to him. This is why Maty thrives by helping people learn and develop the art of both barbering and hairstyling.
