

# FADE AWAY THE FEAR

BaBylissPRO™  
BARBERology®

## 301

### BARBERING CARVED OUT

This innovative specialty class is recommended for all levels, as it focuses on transforming traditional haircuts into works of art. Tattooing, designs, portraits, outlining and details are demonstrated and taught by artists on the cutting edge of creative barbering.

## Jay Lorenzana

@jdabarbah

Jay Lorenzana doesn't follow trends, he creates them. Jay has been cutting hair since 2005 and now is a Master Barber with BaBylissPRO. Jay has worked internationally, organized Barbering events and is an award winning barber. He has managed all of this, while operating multiple businesses. Jay has acquired a large client base, including some celebrities, through constantly creating trendsetting looks and styles. With his keen sense of style and strong execution, he's been able to attract and build a very talented and knowledgeable team and set of students. For Jay, barbering is more than just creating and educating others, it is a lifestyle. In the words of Jay himself "Barbering is life!"
