COST  
**\$395**  
+ TAX

**Includes lunch, mannequin and free gift!** Men's cutting, barbering and color techniques are more in demand than ever before, as the modern man wants the full salon experience - the extra-special attention to detail. In this workshop, you'll create and master classic, timeless cutting methods, such as clipper work, flawless blends, and perfect lines that are specifically geared to your male clientele.
